ABOUT COMMUNITY EDUCATION

The Irvine Valley College Community Education department provides short-term, not-for-credit classes, workshops, career training programs and events designed for professional and/or personal development, with special emphasis on inspiring a sense of wonder and imagination toward life-long learning. College credit is not given for classes conducted by the Community Education department. There are no transcripts or grades. Community Education is a self-supporting entity of the college and is not funded by taxpayer dollars. Our goal and commitment is to provide personal enrichment classes to help our students explore new talents, expand their minds, embrace new technology or become entrepreneurs. We are here to help! If you have a special interest or particular need for a class, please send us your suggestions at ivccommunityed@ivc.edu. We wish you much success!

> Go to ivc.augusoft.net
> Returning Students: Log In
   (If you are unsure whether you already have an account, please call 949-367-8343 for assistance)
> New Students: Create an Account
> Click LOGIN/CREATE ACCOUNT
> Click green button that says CREATE NEW PROFILE
> Select profile type:
   Student - single adult user
   OR
   Household - multiple users under one account, adults and children
> Fill out all fields marked with red asterisk (*) in Steps 1, 2 and 3
> Click green SUBMIT button
> Proceed to instructions to Register for Classes
   > Search and Register for Classes

OPTION 1:
- Use the search bar on the top right of the page
- Input class name or number (if available) and click GO
- Click the Add to Cart button next to any classes you would like to enroll in
- When finished adding classes, click View Cart
- Verify details and click Checkout to pay and complete registration
- Visa, Mastercard or Discover

OPTION 2:
- Click Browse on the left-hand side
- Browse classes by Catalog and Category
- Click the Add to Cart button next to any classes you would like to enroll in
- When finished adding classes, click View Cart
- Verify details and click Checkout to pay and complete registration
- Visa, Mastercard or Discover
To register by phone, call 949-367-8343. To register by mail, send the form on page 23 with payment to:

Irvine Valley College
Community Education, IDEA 205
1624 Valencia Avenue
Tustin, CA 92782

**PARKING INFORMATION**

**GENERAL PARKING INFORMATION**

Parking at IVC and IDEA is $5 per day. Daily permits can be purchased at IVC in lots 4, 5, 8, and 10. At IDEA, there is one permit dispenser in the parking lot. The Campus Safety office is located on the IVC main campus. Summer office hours are from 8 am to 6 pm Monday-Thursday; closed Friday; and open from 8 am to noon Saturday.

**COLLEGE FOR KIDS DROP-OFF/PARKING INFORMATION**

There will be a reserved, free, 15-minute drop-off and pick-up zone at IVC and IDEA for all College for Kids programs. The IVC zone will be in parking lot 4; the zone at IDEA is in the parking lot off Lansdowne Road. Please park in the reserved area and walk students to and from classes for their safety. If you plan to stay longer than 15 minutes, purchase a $5 daily permit and park in the designated student spaces. Do not park in spaces reserved for staff.

**COMMUNITY EDUCATION AND COLLEGE FOR KIDS CLASS REFUND POLICY**

Full refunds are issued for classes cancelled by IVC. If paying by check or cash, please allow 30 days to receive your refund. If paying with a credit card, please allow 10 days to receive your refund. Refunds are not available once the class begins.
MATH

Math Academy Grade 1-2
Topics in this course will include grade level concepts of math, as well as basic fact practice. This class will help strengthen skills through repetition and reinforcement. This course is a great way to help prepare your student for the next grade level.

Fee: $129
Instructor: Scholastic Development Staff
9-11am TU 6/23 - 7/21 IVC - CEC 1

Math Academy Grade 3-4
Topics in this course will include grade level concepts of math, basic fact practice, and word problems. This class will help strengthen skills through repetition and reinforcement. This course is a great way to help prepare your student for the next grade level.

Fee: $129
Instructor: Scholastic Development Staff
9-11am TU 6/23 - 7/21 IVC - CEC 6

Math Academy Grade 5-6
Topics in this course will include grade level concepts of math, basic fact practice, and problem solving. This class will help strengthen skills through repetition and reinforcement. This course is a great way to help prepare your student for the next grade level.

Fee: $129
Instructor: Scholastic Development Staff
9-11am TU 6/23 - 7/21 IVC - CEC 6

Math Academy Pre-Algebra
This course will prepare students for the basic principles of Pre-Algebra, introducing Rational Numbers, Ratios and Proportions, and Expressions and Equations. This class is a great preparation for the junior high school years.

Fee: $129
Instructor: Scholastic Development Staff
2-4pm M 6/22-7/20 IVC - CEC 6
Math Academy Algebra 1 (Ages 11-16)
This course is an introduction to Algebra 1 for students wishing to prepare for a course in middle or high school, or for students who need some extra reinforcement with their Algebra skills. Course topics will include foundations of Algebra, solving equations, solving inequalities, and an introduction to functions.
Fee: $129
Instructor: Scholastic Development Staff
9-11am TH 6/25-7/23 IVC - CEC 6

Math Academy Algebra 2 (Ages 13-17)
Credentialed teachers will teach this course in Algebra 2. Topics will include a review of Algebra 1, advanced polynomials, rational equations and negative exponents to use with radical functions. Students will gain a base knowledge of Algebra 1. A great way to get a head start for the fall!
Fee: $129
Instructor: Scholastic Development Staff
11:30am-1:30pm TH 6/25-7/23 IVC - CEC 5

Math Academy Geometry (Ages 13-17)
A credentialed teacher will lead this common core-based course in Geometry. Topics include geometric definitions and constructions, congruence and measurement, reasoning skills, and proofs. This class is a great way to help your child prepare for the next level.
Fee: $129
Instructor: Scholastic Development Staff
11:30am-1:30pm W 6/24 -7/22 IVC - CEC 5

Reading Academy (Grades 3-4)
Topics in this course will include common core-based grade level comprehension, vocabulary, phonics, and reading strategies. Teachers will use a variety of popular children’s literature to strengthen students’ reading skills. This will help to naturally enhance their love of reading.
Fee: $129
Instructor: Scholastic Development Staff

Reading Academy (Grades 5-6)
Topics in this course will include common core-based grade level comprehension, vocabulary, phonics, and reading strategies. Teachers will use a variety of popular literature to strengthen students’ reading skills. This will help to naturally enhance their love of reading.
Fee: $129
Instructor: Scholastic Development Staff
9-11am M 6/22 -7/20 IVC - CEC 6

Institute of Reading Development (Pre-K and K/Level 00)
This program is designed for students entering pre-kindergarten or kindergarten. Students in these programs make significant gains in phonics, word attack, sight vocabulary, fluency and comprehension. As a result your child will become a strong independent reader, build confidence, and develop an enduring love of books and reading. To register, visit www.ivc.readingprograms.org.
Fee: $274 + $39 materials fee payable at first class
Instructor: IRD Staff
8:30-9:30am SAT 7/25-8/22 IVC - CEC 5
9-10am SUN 7/26-8/23 IVC - CEC 5

Institute of Reading Development (1st Grade/Level 01)
This program is for children entering the 1st grade. Children in this program learn beginning phonics and reading readiness skills, build comprehension, and develop an enduring love of books and reading. Parents are to attend all sessions. The program goals are reading readiness, alphabet skills, love of reading, and parent training. To register, visit www.ivc.readingprograms.org.
Fee: $329
Instructor: IRD Staff
10:30am-Noon SUN 7/26-8/23 IVC - CEC 5
Institute of Reading Development (2nd Grade/Level 02)
This program is for children entering the 2nd grade. Students learn phonics and word-attack skills, build sight vocabulary, and improve fluency and comprehension. Your child will become a strong independent reader, build confidence, and develop a love for reading. Parents are welcome to attend any session. There is a required 15-minute parent meeting at the end of lessons 1 and 5. To register, visit www.ivc.readingprograms.org.

Fee: $334
Instructor: IRD Staff

9:30-11:15am SUN 7/26-8/23 IVC - CEC 6

Institute of Reading Development (3rd Grade/Level 03)
This course is for students entering the 3rd grade. Students in these programs make significant gains in comprehension, and learn the fluency and advanced decoding skills needed to read more complex books with ease. As a result, your child will complete reading assignments more quickly and easily, get better grades, and become fully absorbed in books. To register, visit www.ivc.readingprograms.org.

Fee: $334
Instructor: IRD Staff

1:245pm SUN 7/26-8/23 IVC - CEC 5

Institute of Reading Development (4th Grade/Level 04)
This course is designed for students entering the 4th and 5th grades. Students in these programs make significant gains in comprehension, and learn the fluency and advanced decoding skills needed to read more complex books with ease. As a result, your child will complete reading assignments more quickly and easily, get better grades, and become fully absorbed in books. To register, visit www.ivc.readingprograms.org.

Fee: $334
Instructor: IRD Staff

11:45am-2pm SUN 7/26-8/23 IVC - CEC 6

Institute of Reading Development (5th Grade/Level 05)
This course is designed for students entering the 4th and 5th grades. Students in these programs make significant gains in comprehension, and learn the fluency and advanced decoding skills needed to read more complex books with ease. As a result, your child will complete reading assignments more quickly and easily, get better grades, and become fully absorbed in books. To register, visit www.ivc.readingprograms.org.

Fee: $334
Instructor: IRD Staff

3:5:15pm SUN 7/26-8/23 IVC - CEC 6
Institute of Reading Development (6th-8th Grades/Level 08)
This course is for students entering 6th–8th grade. In these programs, students improve comprehension by one to two grade levels while doubling their reading speed. They learn the best way to read textbooks, take notes, and study for tests. Your child will complete homework assignments quickly and easily, get better grades, and become a more highly motivated student. Our students become fully absorbed in books, and develop the habit of reading for pleasure. To register, visit www.ivc.readingprograms.org.

2-4:30pm M 6/22 - 7/20 IVC - CEC 5

LANGUAGES

Lango Kids Spanish Camps (Ages 5-10)
Lango Kids Irvine offers Spanish Immersion Day Camps for kids ages 5-10. Enthusiastic native-speaking, bilingual teachers will lead kids through fun-filled, culturally based lessons that take place indoors and out. Activities include games, geography, history, arts and crafts, theater, music and lots of movement. Kids won’t believe they can have so much fun while learning a new language. Our Spanish campers discover the treasures of Latin and European countries where Spanish is spoken. Children love mystery and the chance to explore, and at Camp Lango we adventure our way into the wild, and urban places while learning about other cultures’ festivals, people’s traditions, local cuisine, and more. If you want to see your kids dancing and cooking simple, traditional dishes from Latin America and Spain, bring them to Camp Lango Spanish. Don’t miss out!

To register, visit www.langokidsirvine.com. (No class 7/3.)

Fee: $249 half-day/$349 full-day
Instructor: Camp Lango Staff

STEM

NEW! Movies by Kids Day Camps (Ages 7-12)

Action Movie Workshop “Hollywood Style”:
Are you a big fan of fast-paced movies loaded with action-packed scenes? In this exciting workshop, Movies by Kids will help you write, direct and produce your own action sequenced for the camera featuring stunt-fight training and film choreography. We’ll dub in sizzling sound effects and voice-overs. No experience necessary! Let our film crew show you how easy it is to be in the next action start for the camera. All projects will be professionally edited and made available for downloading or viewing online. Please wear comfortable clothing and closed-toe shoes.

Fee: Morning or afternoon camp: $175
Combo day camp: $340
Instructor: Movies By Kids Staff
Action: 9am-noon M-TH 7/27-7/30 CEC 4
Minecraft: 12:30-3:30pm M-TH 7/27-7/30 CEC 4
Combo: 9am-3:30pm M-TH 7/27-7/30 CEC 4

Minecraft Movies: Do you love Minecraft? Join this exciting class where kids will design and Minecraft world using LEGO® Minifigures (provided). Then use iPods/Smar Devices to create their own Minecraft movie. They will even create voices for all of their characters. Design monsters, creepers or your own personal hero to tackle the incredible environment that you create. Please wear comfortable clothing and closed-toe shoes. Bring water and snacks for half-day camp.

Morning and afternoon attendees are asked to bring water and a snack daily. Combo Camp kids are asked to bring water and a sack lunch daily. Lunch will be from noon to 12:30 pm.

Fee: Morning or afternoon camp: $175
Combo day camp: $340
Instructor: Movies By Kids Staff
Action: 9am-noon M-TH 7/27-7/30 CEC 4
Minecraft: 12:30-3:30pm M-TH 7/27-7/30 CEC 4
Combo: 9am-3:30pm M-TH 7/27-7/30 CEC 4
NEW! Bionerd Day Camps (Ages 5-12)

Food Science: Your Food is Alive!: Join us as we learn about the amazing world of food science! We will discuss how some living organisms are responsible for making some of the foods we love such as cheese, yogurt, bread, honey, and more. Get up close with live organisms using a microscope and perform cool biology experiments/activities. Some of these foods are to take home! No nuts in the class but please indicate allergies if any. Please wear comfortable clothing and closed-toe shoes.

Let’s Dive into the Ocean!: Come and join this fun and hands-on biology workshop for kids! Learn about the amazing marine animals from the sea star, clams, squid, octopus, shark, and more. Your child will be up close and personal with live/preserved/fish organisms, perform many dissections, and engage in cool biology experiments using lab equipment/tools. No nuts in the class but please indicate allergies if any. Please wear comfortable clothing and closed-toe shoes.

Insects: Bug Me if You Dare!: Come and join this fun and hands-on biology workshop for kids! Learn about the amazing bugs around us such as beetles, butterflies, fruit flies, microarthropods, ladybugs, grasshoppers, and more. Get up close and personal with live bugs using a microscope and perform cool biology experiments. No nuts in the class but please indicate allergies if any. Please wear comfortable clothing and closed-toe shoes.

Land and Water Creatures: Come and join this fun and hands-on biology workshop for kids! Learn about the land and water creatures from lizard, frog, sea urchin, stingray, and more. Your child will be up close and personal with the live/preserved/fresh organisms, perform many dissections and engage in cool biology experiments using lab equipment/tools. No nuts in the class but please indicate allergies if any. Please wear comfortable clothing and closed-toe shoes.

Morning and afternoon attendees are asked to bring water and a snack daily. Combo Camp kids are asked to bring water and a sack lunch daily. Lunch will be from noon to 12:30 pm.

Fee:
- Morning or afternoon camp: $170 + $56 materials fee payable at first class
- Combo day camp (ages 7-12): $330 + $80 materials fee payable at first class

Instructor: Bionerd Staff

Week 1 - Food Science and Ocean Life:
- Food: 9am-noon M-TH 7/13-7/16 CEC 4
- Ocean: 12:30-4pm M-TH 7/13-7/16 CEC 4
- Combo: 9am-4pm M-TH 7/13-7/16 CEC 4

Week 2 - Bugs and Creatures:
- Bugs: 9am-noon M-TH 7/27-7/30 CEC 4
- Creatures: 12:30-4pm M-TH 7/27-7/30 CEC 4
- Combo: 9am-4pm M-TH 7/27-7/30 CEC 4
NEW! Science: Mechanics and Movement (Ages 8-13)
In this course, our young researchers will explore the world of STEM physics through fun and educational hands-on experiments and projects. They will learn about chemical compounds and reactions as they perform the Mentos eruption, launch rockets high into the sky using water and air pressure, and build their own mini rollercoaster. A perfect course to keep your curious and creative young scientist engaged, learning, and having fun.

Fee: $155 + $40 materials fee payable at first class
Instructor: Keys to Learning
9am-noon M-TH 6/29-7/3 IVC - CEC 4

NEW! Multi-Focused Inclusion Course: Mainstream and Special Needs (Ages 8-13)
This course is an opportunity for mainstream and special needs students to collaborate outside their typical surroundings. Students will be working independently and collaboratively in three different stations each day, scientific experiments, arts & crafts, and physical recreation.

Fee: $155 + $40 materials fee payable at first class
Instructor: Keys to Learning
9am-noon M-TH 7/6-7/9 IVC - CEC 4

Young Inventors (Grade 2-5)
Put on your thinking cap and join us for some sensational science experiments! Students will be introduced to the marvelous world of physics and engineering through hands-on activities and projects. Put your creativity to the test while we design 3D structures, make ooey-gooey slime, and construct our own homemade robots! This course is guaranteed to amaze and inspire all budding inventors and engineers.

Fee: $129
Instructor: Scholastic Development Staff
11:30am-1:30pm TU 6/23-7/21 IVC - CEC 5

Academic Chess and Strategic Kids Summer Camp (Ages 5-13)

Academic Chess: An amazing, fun and exciting time with daily chess strategies and tactics lessons for all levels. Fun activities and outdoor games that reinforce chess principals. Giant chess set and board onsite (3-foot-tall king!). Chess tournament with trophies and prizes.

Strategic LEGO®: Students will use LEGO® to learn about the art and process of problem solving in a hands-on, creative environment. We use LEGO® to teach STEM-based lessons in a way children will understand and enjoy. Participants will also learn about the different parts of a story, public speaking, creative writing and more!

Strategic Magic: This magical class promotes public speaking through the performance art of magic! Students will learn 1-2 magic tricks each day and craft some of their own magic gear. Children will also develop motor skills, learn teamwork, and enhance performance skills.

Morning and afternoon attendees are asked to bring water and a snack daily. Combo Camp kids are asked to bring water and a sack lunch daily. Lunch will be from noon to 12:30 pm.

Fee: Morning or afternoon camp: $180 + $10 materials fee payable at first class
Combo day camp: $350 + $20 materials fee payable at first class
Instructor: Academic Chess Staff
Week 1 - Magic and Chess:
Magic: 9am-noon M-TH 6/22-6/25 CEC 4
Chess: 12:30-3:30pm M-TH 6/22-6/25 CEC 4
Combo: 9am-3:30pm M-TH 6/22-6/25 CEC 4
Week 2 - LEGO® and Chess:
Lego: 9am-noon M-TH 7/20-7/23 CEC 4
Chess: 12:30-3:30pm M-TH 7/20-7/23 CEC 4
Combo: 9am-3:30pm M-TH 7/20-7/23 CEC 4
NEW! Game Programming with Python (Ages 12-18)
Python is an easy-to-learn programming language that is commonly used for writing short scripts for developing games and working with Raspberry Pi. Students will learn to write scripts to develop games with moving objects, shapes, start and stop buttons, lives, scores, and more. This is an excellent introductory course for students interested in learning a scripting language, planning to take AP Computer Science, or seeking to learn how to visualize data using plot features. Prerequisite: Fundamentals of Computers or equivalent. Reminder, no food or drink allowed In the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-Noon M-TH 6/22-6/25 IDEA - 114

NEW! Game Programming with JavaScript (Ages 12-18)
JavaScript is an easy-to-learn language that is commonly used for writing short scripts in a web page for developing games and data entry forms. Students will learn to write scripts to develop games with moving objects, shapes, start & stop buttons, lives, scores and more to display on a web page. This is an excellent introductory course for students interested in learning a scripting language and developing games to display on a web page. Prerequisite: Fundamentals of Computer or equivalent. Reminder, no food or drink allowed In the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-Noon M-TH 6/29-7/2 IDEA - 114

NEW! Programming Raspberry Pi with Python (Ages 12-18)
This hands-on introductory-level course enables students to build a credit-card size computer using the Raspberry Pi motherboard. The students will learn to use LINUX operating system and develop a program using Scratch and Python. It is an excellent introductory course for students interested in learning the internals of a computer, developing software, developing a programmable device or working in the field of Engineering. Prerequisite: Introduction to a programming language such as C, C++, JavaScript, Java or Python. Reminder, no food or drink allowed In the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-Noon M-TH 7/27-7/30 IDEA - 114

NEW! Game Programming with C++ (Ages 12-18)
This hands-on introductory-level course enables students to learn the fundamentals of C++ programming language. Students will learn to use common functions, expressions, flow control, loops, array, string and more, to develop an application! This is an excellent introductory course to a programming language for students planning to take AP Computer Science, interested in software development, wanting to develop games or preparing for Microsoft Technology Associate (MTA) or C++ Certification Exam (CPA). Prerequisite: Fundamentals of Computer or equivalent. Reminder, no food or drink allowed In the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-Noon M-TH 7/6-7/9 IDEA - 114
NEW! Game Programming with Java (Ages 12-18)

This hands-on, introductory-level course enables students to learn the fundamentals of Java. Students will learn to use variables, expressions, flow control, loops, arrays, strings, exception handlers, file input/output, and more to develop an application! This is an excellent introductory course to programming for students planning to take AP® Computer Science, interested in software development, wanting to develop games, or preparing for the Java Associate Certification Exam by Microsoft or Oracle. Prerequisite: Fundamentals of Computers or equivalent. Reminder, no food or drink allowed in the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-4pm M-TH 7/13 -7/16 IDEA - 114

NEW! Programming Arduino with C/C++ (Ages 12-18)

This hands-on introductory-level course enables students to utilize C/C++ programming, to build projects. Students will use the Arduino, a popular microcontroller, to learn how to build the circuit board to run simple programs. They will be able to watch their code come alive with their circuit board. This is an excellent introductory course to a programming language for students planning to take AP® Computer Science, interested in software development or field of Engineering, or preparing for Microsoft Technology Associate (MTA) or C/C++ Certification Exam (CLA/CPA). Prerequisite: Introduction to a programming language such as C, C++, JavaScript, Java or Python. Reminder, no food or drink allowed in the computer labs.

Fee: $260
Instructor: NR Computer Learning Center Staff
9am-Noon M-TH 7/20-7/23 IDEA - 114

STUDY SKILLS

SAT English Prep (Ages 13-18)

The SAT English Workshop Series prepares students who wish to score high on the official SAT English section. This course will instruct students based on the new format of the SAT test. The workshop will cover in-depth the critical reading section, where students will learn about and practice sentence completion and passage-based reading exercises. The workshop will also cover vocabulary, the writing section (including the essay), identifying sentence errors, and improving sentences and paragraphs. There will also be online assignments that need to be completed each week.

Fee: $119 + $20 materials fee payable at first class
Instructor: Scholastic Development Staff
11:30am-1:30pm TH 6/25-7/23 IVC - CEC 6

SAT Math Prep (Ages 13-18)

A credentialed teacher will lead this common core-based course in an overview of all SAT math sections. This course will instruct students based on the new format of the SAT test. Throughout course instruction, students will be pre- and post-tested as well as reviewed, with areas of weakness and strength pinpointed. Students will build self-confidence and gain strategies for scoring high on the math sections of the SAT test.

Fee: $119 + $20 materials fee payable at first class
Instructor: Scholastic Development Staff
2-4pm TH 6/25-7/23 IVC - CEC 6

Study Skills (Grades 6-12)

Topics in this course will include time management, organization, note taking, and test taking skills. Students will create short and long term goals for improving their overall study habits. This course is a great way to help your student prepare for success in both middle and high school.

Fee: $129
Instructor: Scholastic Development Staff

Grades 6-8:
11:30am-1:30pm TU 6/23-7/21 IVC - CEC 6

Grades 9-12:
2-4pm TU 6/23-7/21 IVC - CEC 6

PRESENTERS WANTED

Community Education is always looking for new classes and instructors. If you have an idea for a new class, please visit academics.ivc.edu/communityed for more information.
CAREER

An Introduction to Voiceovers (Getting Started in Voice Acting)
“Wow, you have a great voice!” Have you heard that more times than you can count? Or maybe you listen to your favorite audiobooks, commercials, or cartoon characters and think, “I could do that!” If so, then you could have what it takes to begin working as a professional voiceover artist. Explore the voiceover industry with your instructor, a professional, working voice actor from the voice acting training company Voices For All. Discover current trends in the industry and how they make it easy and affordable for just about anyone to get involved. In this one-time, 2-hour, introductory class, you'll also learn about the different types of voiceovers and the tools you'll need to find success. And then...we're rolling! Your instructor will record you as you read a real script, then offer some coaching so you can improve your delivery. Your instructor will take notes on your performance so you can receive a professional voiceover evaluation later. After the class, you will have the knowledge necessary to help you decide if this is something you'd like to pursue. You must be age 18 or over to attend. You owe it to yourself to finally explore the possibilities of this fun and rewarding job!

Fee: $49
Instructor: Voices for All Staff

6-8pm TH 6/18 IVC - CEC 4

ONLINE CLASS: Medical Insurance Billing Certificate Program
A comprehensive study of medical insurance billing claims processing, coding and collection strategies. Procedures and paperwork (paper and electronic), involving various insurance providers including private and government plans, as well as workers' compensation and personal injury cases. Instructor: Kris G. Hall-Patterson

7/15-7/16 Online

ONLINE CLASS: Start Your Own Billing Service
Many medical practices receive most of their income from insurance companies. Thus, medical billing services are in demand. In this class you will learn how to obtain clients, how to set your fees, what other services a billing service could offer, marketing your services, where to obtain HIPPA compliance software, a sample HIPAA business associate agreement and independent contractor agreement, what billing organizations you can join, how to obtain updates from insurance companies, and the differences between sole proprietorships, partnerships, corporations and LLCs.

Information: www.kgpmedicalbilling.com

Fee: $25 + $29 materials fee payable via PayPal at https://www.paypal.me/krisgpatterson

Orientation: All students must attend an online orientation no later than Saturday, June 20, 2020.

To complete orientation, visit https://forms.gle/bK2tX3vWArNv8oBBA

Instructor: Kris G. Hall-Patterson

7/18 Online

NEW! Business Writing for Results
In this age of high technology, the ability to communicate in writing with confidence and clarity is vital. Effective writing is a key to success in today's world. The documents you create are an indication of your knowledge and your level of professionalism; they are a reflection of you, your department and the company as a whole. Business Writing for Results will help you polish the essentials of business writing. You may not be a Hemingway or the next Shakespeare, but you can improve upon the way you express your thoughts and ideas in writing.

Fee: $60 + $5 materials fee payable to instructor

Instructor: Daniel T. Sakimoto

5:30-9:30pm TH 6/4 IVC - CEC 4

NEW! Building Communication Skills with DiSC®
The ability of the individuals within a company to communicate effectively has a direct bearing on the success of that organization. Building Communication Skills with DiSC® will assist you in developing the skills necessary to communicate with greater flexibility, confidence and impact. The art of successful communicating is equally the responsibility of the sender and the receiver. Whether you are communicating with co-workers or clients, success in today's marketplace depends on clear, concise speaking and effective listening skills. This course focuses on the reality that everyone communicates a little differently. It is the ability to perfect your own natural style as well as adapt to the styles of others that will ultimately become the basis of your success.

Fee: $60 + $5 materials fee payable to instructor

Instructor: Daniel T. Sakimoto

5:30-9:30pm TH 6/18 IVC - CEC 1
NEW! Powerful Public Speaking Skills
Even among the most professional speakers, a little nervous energy is common. However, making presentations can be an essential part of your personal and professional growth. As such, today's career-minded business person must develop and maintain vital presentation skills. In Powerful Public Speaking Skills, you will learn and practice the techniques effective presenters use to communicate their message confidently and assertively. Your presentations will be professionally critiqued, allowing for immediate correction and reinforcement that lead to noticeable results. This course is designed to provide you with the specific skills and coaching you need to deliver powerful presentations.

Fee: $150 + $5 materials fee payable to instructor
Instructor: Daniel T. Sakimoto
5:30-9:30pm M 7/13 & 7/20 IVC - CEC 4

NEW! Computer Basic
Students will gain the knowledge and skills required to identify parts of the computer, including a microprocessor, motherboard, flash drive, hard disk, memory, keyboard, mouse and input/output devices. Students will also build a computer from scratch! They will learn how to put different parts together, how they work and how to use free software to work with images, sound, and text. This is an introductory course for students interested in building a computer, understanding how computers work or wanting to learn to develop games. This course is also a prerequisite to most of the course.

Fee: $299
Instructor: NR Computer Learning Center Staff
6-9pm TH 6/25-7/30 IVC - CEC 3

NEW! Beginner’s Guide to Blogging: Create and Make Money with Your FREE Blog
Online blogging is a great way to get the word out about you, your service, your product, or your information! You will learn step-by-step how to: start a FREE blog, choose a blog template, emphasize your blog content with a creative name, use your unique voice to share your expertise, find other writers to contribute content, and connect your domain/website. You will also learn how to earn a passive monthly income from selling other people’s products by placing a merchant-provided advertisement link on your blog to get a commission for every sale, click or lead, as well as SEO secrets to increase your site’s ranking and visibility on search engines like Google.

Fee: $39 + $20 materials fee payable at first class
Instructor: LeeAnne Krusemark
8-10pm W 6/10  IVC - CEC 2

Meet the Agent/Publisher Q&A – Get Your Manuscript Critiqued
Have you ever wanted to talk to a real agent or publisher? Are you tired of having your manuscripts critiqued by non-professionals or paying an editor too much money to change your writing to their voice? Bring your in-progress manuscript for an in-class critique of one page of your poetry, article, short story, screenplay, novel, non-fiction book, or children’s book. You can then leave a COPY of your manuscript for a professional critique of your entire manuscript (for an optional materials fee of $50 for up to 25 double-spaced pages + $1/page thereafter) and a list of publishers/agents who are interested in your type of work.

Fee: $19 + $10 materials fee payable at first class
Instructor: LeeAnne Krusemark
6-7pm  TH 6/11  IVC - CEC 2

 ABOUT EMERITUS CLASSES

The Irvine Valley College Emeritus Institute program affirms the importance of intellectual activity, critical thinking and creative expressions for older adults. The curriculum challenges participants to formulate relationships between past experiences and new ideas, and to keep current in all academic areas. Courses are developed to stimulate participants’ intellectual and personal growth and to benefit their daily lives – personally, socially, culturally, economically and environmentally. While these courses meet the college’s academic standards, they are not degree-applicable.

ONLINE REGISTRATION INFORMATION

Special Note: All Emeritus Institute classes are tuition-free.

The registration process occurs three times per year, in the fall, spring, and summer semesters.

MySite Registration is date- and time-specific. Please log in to your individual MySite account for a specific date and time to register. Students cannot register prior to their appointment. If you are having trouble accessing MySite, please contact Admissions and Records at 949-451-5220.

Students are not permitted to attend classes in which they are not officially enrolled. Please note: if the class you wish to take is full, students have the option to go to the first class and ask the instructor for permission to add the class. If the instructor approves, the instructor will provide an Add Permit Code (APC) and the individual will be added to the roster.

Faculty reserve the right to drop students who do not attend the first class session.

Please note: If you need additional assistance, please contact the Extended Education Office at 949-367-8343 or visit us in person at the location listed on page 3.

Please see the next page for step-by-step registration instructions.
EMERITUS ONLINE REGISTRATION STEPS

For Continuing IVC/SC Students:

Register for your class on MySite at https://mysite.socccd.edu

Log in using your Student ID number and PIN number. Your PIN number is either your birth year (ex: 1947) or the last four digits of your Social Security Number (ex: 1234).

1. Click on My Classes
   a. Click on Add/Drop Classes
   b. Select Term (Fall, Spring, Summer)
      i. Click Add/Drop Classes
2. Update Records - Make sure you answer all sections with a RED ASTERISK (*)
   a. If you can’t move to the next screen, that means you did not answer one of the red asterisk (*) questions. Please scroll to the top of the page and double check your answers.
      i. Frequently missed questions:
         1. Enter your mobile phone number or select No Mobile Phone
         2. Vocational & Technical Information (VETA):
            a. Select the box that fits you
         3. Electronic 1098T information
            a. If your Social Security Number is correctly displayed, select YES
            b. If your Social Security Number is not displayed, select Decline
3. Schedule Builder
   a. Add Class, enter Ticket #, click Add Class
   b. Repeat Step 3a. If multiple course are needed, click next.
   c. If the class is FULL and you would like to be added to the WAIT LIST, enter your mobile phone number and click YES.
      i. If a space becomes available, you will receive an email notification and a text message. You will have 24 hours to register for the class.
4. Checkout: Fees
   a. Select No when asked about Health Fee and ASG. Click next.
5. Accept refund policy, then click complete registration
6. To make sure your registration is complete:
   a. Click on My Classes
      i. Click on My Current Classes
      ii. Make sure you are on the correct semester

For NEW or RETURNING Students (those who skipped a fall or spring semester):

Apply for admission at https://link.ivc.edu/ccccapply
1. Click on Create an Account and follow the registration directions.
2. This is a two-part process:
   a. Create an OpenCCC account
      i. Once you have created it, you will receive an email. This is not your student number.
   b. Continue to the application.
      i. Once your application has been submitted, you will received an email within 24-48 hours containing your student number.
3. Once you receive your student number, you can register for classes. Please follow the Continuing IVC/SC Students MySite registration directions to register for a class.
EMERITUS ART CLASSES

ART 403C: ART MEDIA (BEADING)
This noncredit course introduces older adults to various art media, which may include drawing, painting, printmaking, beading, stained glass, or ceramics. It is designed to develop students’ appreciation of art and foster their creative expression. The course also includes the improving of fine motor skills and maintaining cognitive abilities. A list of instructional materials will be provided at the first class session. (No class 5/25, 7/3.)

Acknowledgement of Voluntary Participation

Participant voluntarily wishes to participate in the above referenced Irvine Valley College Community Education class(es) and chooses to do so despite the possible dangers and inherent risks.

Code of Conduct

Participant fully understands that he/she is to abide by all rules and regulations, including and not limited to District policies and procedures governing conduct during participation in the above referenced class(es). Any violation of these rules and regulations may result in participant’s dismissal from the class with any expenses incurred being participant’s responsibility.

Internet Usage

Participant or Parent/Legal Guardian of Participant understands that South Orange County Community College District, Irvine Valley College Community Education is not liable for any actions resulting from the misuse of computers. Any misuse of computers must be reported to the Irvine Valley College Dean of Extended Education.

Medical Consent

In the event of an emergency and participant is injured or becomes ill during his/her participation in the above mentioned Community Education class(es), participant or Parent/Legal Guardian of Participant hereby authorizes and consents to x-ray, examination, anesthetic, medical, dental, or surgical diagnosis or treatment, emergency medical treatment, and hospital care from a licensed physician and/or surgeon, as well as emergency transportation as deemed necessary for my safety and welfare. Participant understands that all resulting expenses will be his/her responsibility. In addition, participant asks Irvine Valley College Community Education to call his/her emergency contact listed above.

Photograph/Video Release

Participant understands that Irvine Valley College Community Education may take photographs and/or video of participant during his/her participation in this Community Education class which may be used for the purposes of marketing and/or publicity of the program in print or on any social media platform.

Release Of Liability

In consideration of participant’s request for voluntary participation and registration in the above referenced Irvine Valley College Community Education class(es), and to the extent permitted by law, participant, his/her heirs, executors, administrators or assigns hereby agree to release, defend, indemnify, and hold harmless South Orange County Community College District, its Board of Trustees, officers, agents, employees, and volunteers from any and all claims, action, demands, damages, costs, losses, or expenses, including reasonable attorney’s fees of any kind or nature whether related to bodily injury, property damage, or loss of life, except to the extent that such loss or damage is caused by the negligence act or omission and willful misconduct of South Orange County Community College District, its Board of Trustees, its officers, agents, employees, and volunteers and no negligence on the part of the participant.

Participant or parent/legal guardian of participant fully understands the above terms and the legal consequences of signing this registration and release of liability form. Participant or parent/legal guardian of participant agrees to this freely and voluntarily.
