9. After the import process is complete, you can click on **Modules** on your course navigation menu – the imported module will be at the bottom of your module list. It is recommended that you move it to the top so students see this important information first:

1. Link to [complete information and procedures for students about Quest](#). Students will self-enroll into the Quest course in Canvas.
2. An assignment for students to submit their *Quest* scores. The directions instruct students to take a screenshot of their Quest scores and submit it as a graphic file.
3. Link to student resources and technical support. This includes the [IVC Technical Services site](#).
4. Link to [Quest information for instructors](#).
