

During our transition from Blackboard to Canvas, we recommend that faculty who are currently teaching a course(s) on Canvas also post one announcement on Blackboard.

Announcements

This Course Will Be Using Canvas Instead Of Blackboard

Posted on: Friday, January 20, 2017 4:32:56 PM PST

This class is being taught via Canvas. Please log in to <https://ivc.instructure.com> from this point forward. Login to Canvas using the same username and password that you use for Blackboard. Further information and instructions will be available there. If you are unable to login, contact the Help Desk at 949-451-5696.

Announcements

Then hide all the other buttons on your course navigation menu (except for Announcements) and make your course available. This will minimize any confusion for students on which LMS to use for your course (Blackboard or Canvas).
