As you know by now, we will be replacing our current LMS (*Blackboard*) with *Canvas*. The conversion to *Canvas* is scheduled to be completed by the end of Fall Semester 2017. ***Canvas will be the one and only LMS at IVC beginning Spring Semester 2018. Blackboard can no longer be used for your courses.*** You are therefore highly encouraged to consider using *Canvas* for your Fall 2017 course(s). You may still make your *Blackboard* course(s) available to [post the following recommended announcement](#).
