The Irvine Valley College (IVC) Emeritus Program is moving online for the summer semester!

Registration for Summer 2020 will occur from May 5 to 8. Check MySite for your individual registration date and time.

As a reminder, the IVC campus is closed, so classes will be held online. We will provide you with full details on how to participate in your online classes! In addition, in-person registration assistance is not available at this time. However, our staff is working remotely.
