Semester (i.e. Fall 2015): _____

Student ID: _____

Name (First Last): _____

Best Phone: _____

Supervisor: _____

Best Phone: _____

Company Name: _____

Instructions

Instructions: It is necessary for the student intern to identify learning objectives, which must be specific, measurable, and accomplishable within the semester. The objectives must be developed and written by the student, and reviewed and approved by the employer and instructor at the beginning of each term. The employer, near the end of the semester, will do an evaluation of the accomplishment of the objectives and the college instructor will assign the final internship grade. (Attach additional pages as needed)

Objective #1

What do you want to learn?

How will you learn it?

How will the results be measured?

What date will this objective be completed by?

Objective #2

What do you want to learn?

How will you learn it?

How will the results be measured?

What date will this objective be completed by?

Sustainability and Resource Management Learning Objectives Form

Objective #3

What do you want to learn?

How will you learn it?

How will the results be measured?

What date will this objective be completed by?

Agreement

Must have all three signatures to be accepted.

The undersigned student, employer, and instructor agree with the validity of the learning objectives. The employer and College agree to provide necessary supervision and counseling to insure maximum educational benefits to the student. The employer agrees to meet all employment regulations without regard to race, color, religion, age, national origin, sex or disability as required by the Cooperative Work Experience/Internship.
